

March 25, 2020

To Our Customers and Suppliers:

In response to Covid-19, many state and local governments have imposed restrictions on manufacturing operations. However, essential manufacturers are exempt from these restrictions. As a supplier of critical parts to many essential manufacturers, **Finzer Roller is exempt from these restrictions and all seven of our manufacturing operations remain open.** There has been no significant disruption to our manufacturing capability at any location.

Finzer Roller will continue to monitor the situation and will advise you of any significant changes in our status.

Please stay safe and healthy,

John Finzer
Chief Executive Officer
